The Parties agree that this Agreement is a Transaction Document.

2. **Amendment and Restatement**

2.1 **Amendment and Restatement**

With effect on and from the Effective Date, the Parties to the Original Issuer Rights Pledge Agreement hereby agree that the Original Issuer Rights Pledge Agreement shall be amended and restated in the form set out in schedule 1 (*Amended and Restated Issuer Rights Pledge Agreement*) (the "Amended and Restated Issuer Rights Pledge Agreement").

3. **Continuing obligations**

(A) References in the Original Issuer Rights Pledge Agreement to "this Agreement", "hereof", "hereunder" and expressions of similar import shall, on and from the Effective Date, be deemed to be references to the Amended Issuer Rights Pledge Agreement.

(B) References, however expressed, in any Transaction Document (other than the Original Issuer Rights Pledge Agreement) to the Original Issuer Rights Pledge Agreement shall, on and from the Effective Date, be deemed to be references to the Amended and Restated Issuer Rights Pledge Agreement.

4. **Agreement to Pledge; Pledge**

4.1 The Issuer agrees with the Security Trustee that it shall pledge the Collection Foundation Rights to the Security Trustee subject to the terms and conditions of this Agreement and the Amended and Restated Issuer Rights Pledge Agreement.

4.2 As security for the due and punctual payment of all Secured Liabilities, the Issuer hereby agrees to create and creates or, as the case may be, creates in advance (*bij voorbaat*), in favour of the Security Trustee, a disclosed right of pledge (*openbaar pandrecht*) over the Collection Foundation Rights, which right of pledge the Security Trustee hereby agrees to accept and is hereby accepted by the Security Trustee.

5. **Miscellaneous**

5.1 **Further assurance**

Each Party shall, at the request of the Issuer or the Security Trustee, do all such acts and things necessary or desirable to give effect to the provisions of this Agreement.

5.2 **Counterparts**

This Agreement may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.

5.3 **Undertaking by the Issuer**

The Issuer undertakes that this Agreement shall be (i) published by it on the website of European DataWarehouse (<https://edwin.eurowdw.eu/edweb/>) and (ii) made available by it for inspection, free of charge, at the specified office of the Security Trustee, the Issuer and the Paying Agent.

6. **Non-petition and limited recourse**

- 6.1 None of the Parties may institute against, or join any person in instituting against, the Issuer in any bankruptcy, reorganisation, arrangement, winding-up, insolvency or liquidation proceeding until the expiry of a period of at least one (1) year after the latest maturing Note is paid in full. Each Party accepts and agrees that the only remedy against the Issuer after any of the Notes have become due and payable pursuant to Condition 11 (*Enforcement*) is the enforcement of the Security by the Security Trustee.
- 6.2 Each Secured Creditor agrees that no amounts under the Transaction Documents are due and payable by the Issuer or, as the case may be, the Security Trustee, except: (i) in accordance with the Trust Agreement; and (ii) unless and until all amounts thereby required to be paid in priority thereto have been paid or discharged in full.
- 6.3 Each Secured Creditor agrees that only the Security Trustee may enforce the provisions of any of the Transaction Documents, including the security rights created by the Pledge Agreements. None of the Secured Creditors are entitled to proceed directly against the Issuer to enforce the performance of any of the provisions of any of the Transaction Documents, unless the Security Trustee, having become bound to take proceedings as set forth in clause 4 (*Enforcement / proceedings / conflict of interest*) of the Trust

Agreement, fails to do so within a reasonable period and such failure is continuing. If any Secured Creditor proceeds directly against the Issuer, all limitations and restrictions imposed under or by virtue of the Trust Agreement or any Transaction Document on the Security Trustee in relation to the enforcement of rights and availability of remedies, also apply mutatis mutandis to such Secured Creditor. The only remedy of the Security Trustee against the Issuer after an Enforcement Notice has been given pursuant to Condition 10 (*Events of Default*) is to enforce the Pledge Agreements.

- 6.4 In the event that the Security has been fully enforced and the proceeds of such enforcement, after payment of all other claims ranking, according to the Trust Agreement, in priority to the relevant claim of a Secured Creditor are insufficient to pay in full all amounts outstanding in respect of the respective payment to the relevant Secured Creditor, such Secured Creditor shall have no further claim, of whatever nature, against the Issuer or the Security Trustee in respect of any such unpaid amounts. If, on any date, the Security is to be enforced and the proceeds of the enforcement would be insufficient to fully redeem the Class A Notes in full, such loss will be borne, *pro rata* and *pari passu*, by the holders of the Class A Notes.

7. **Governing law and jurisdiction**

- 7.1 This Agreement (including Clause 7.2) and any non-contractual obligations arising out of or in relation to this Agreement are governed by and shall be construed in accordance with Dutch law.
- 7.2 Any disputes arising out of or in connection with this Agreement (including this Clause 7) including, without limitation, disputes relating to any non-contractual obligations arising out of or in connection with this Agreement, shall be submitted to the competent court in Amsterdam, the Netherlands.

(together the "**Parties**").

WHEREAS:

- A. The Originator grants mortgage loans governed by Dutch law which are secured by one or more mortgage right(s) on property located in the Netherlands.
- B. The Originator has assigned and may assign from time to time by way of silent assignment (*stille cessie*) in accordance with Article 3:94(3) NCC, or in any other way transferred Mortgage Receivables to external and internal investors and special purpose entities incorporated or to be incorporated in relation to securitisation transactions, covered bond programmes and similar transactions. The Originator shall remain to be the only party entitled to collect (*inningsbevoegd*) the payments in respect of the Mortgage Receivables until notification of such assignment(s) has been made to the Borrowers.

- C. The Collection Foundation has been established to hold the Collection Foundation Account in order to, *inter alia*, (i) receive moneys in respect of the Mortgage Receivables on behalf of the Originator up to the Originator Entitlement and for the benefit of each of the Beneficiaries and any New Beneficiaries up to its respective Beneficiary Entitlement, (ii) transfer to the relevant Beneficiary Collection Account or any other account indicated by a Beneficiary which is held by it or by any third party identified by it, amounts standing to the credit of the Collection Foundation Account which have been identified by the Foundation Administrator in accordance with the Transaction Documents as moneys to which such Beneficiary is entitled up to the relevant Beneficiary Entitlement, and (iii) transfer certain amounts to which the Originator is entitled to the Originator up to the Originator Entitlement.

As a result, the Collection Foundation is entitled to all claims against the Collection Foundation Account Bank in respect of the credit balance on the Collection Foundation Account and neither such credit nor any other rights in relation to the Collection Foundation Account form part of the estate of the Originator, other than the right of pledge vested in accordance with the Collection Foundation Account Rights Pledge Agreement.
- E. - F. The Collection Foundation is willing to function as a "*stichting derdengelden*" and transfer any amount deposited on the Collection Foundation Account onwards to the person who has been identified by the Foundation Administrator in accordance with the relevant Transaction

- G. The Parties wish to lay down the arrangements in relation to the collection and the distribution of the amounts received by the Collection Foundation on the Collection Foundation Account.

IT IS AGREED as follows:

1. DEFINITIONS

- 1.1 In this Agreement (including its recitals), except so far as the context otherwise requires, words, expressions and capitalised terms used herein and not otherwise defined or construed herein shall have the meanings as defined or construed in Part A of the definitions schedule attached hereto as Part A of **Schedule 1**, as the same may be amended, restated, supplemented or otherwise modified from time to time (the "**Master Definitions Schedule**"). The rules of usage and of interpretation as set forth in Part B of **Schedule 1** and all other agreements and understandings between the Parties contained therein shall apply to this Agreement, unless otherwise provided herein.
- 1.2 This Agreement expresses and describes Dutch legal concepts in English and not in their original Dutch terms. Consequently, this Agreement is concluded on the express condition that all words, terms and expressions used herein shall be construed and interpreted in accordance with Dutch law.
- 1.3 The Collection Foundation Account Bank has agreed to become a party to this Agreement only for the purpose of Clauses 1, 3.3, 5.1, 5.2, 5.4, 5.5, 7, 8, 9, 12 up to and including 18 and it shall assume no obligations or liabilities whatsoever to the Parties by virtue of any provision of this Agreement (especially not in relation to verifying whether payments can be made) and it may rely on an instruction of the Foundation Administrator and/or the Collection Foundation.

2. COLLECTION FOUNDATION PAYMENT OBLIGATIONS

- 2.1 The Originator has instructed or will instruct the Borrowers to pay interest, principal and any other amounts due by the Borrowers under or in relation to the relevant Mortgage Receivables to the Collection Foundation Account and acknowledges and agrees that, until the relevant Borrowers have been notified of the assignment of the relevant Mortgage Receivables and/or instructed to pay to a bank account of the relevant Beneficiary, upon receipt of such payments made by or on behalf of the Borrowers into the

Collection Foundation Account, the relevant Borrowers have validly paid (*bevrijdend betaald*) such amounts to the Originator and are discharged (*gekweten*) from the relevant payment obligations as if such payments were made into a bank account in the Originator's own name. To the extent required, this acknowledgement is made for the benefit of the Borrowers by means of a stipulation for third party beneficiaries (*derdenbeding*) made irrevocable for no considerations as referred to in section 6:253 sub 4 NCC. Upon payment of such amounts by the relevant Borrower into the Collection Foundation Account, the relevant Beneficiary is entitled to such payments and the Originator will ensure that such payments are forwarded to the relevant Beneficiary (as it is legally and contractually obligated to do) by instructing the Collection Foundation hereby to pay such amounts to the relevant Beneficiary from time to time.

Beneficiary Collection Foundation Payment Obligation

- 2.2 The Beneficiaries hereby irrevocably and unconditionally instruct the Collection Foundation and the Collection Foundation hereby irrevocably and unconditionally undertakes with each Beneficiary to pay (from time to time) to, or to the order of, each such Beneficiary, amounts equal to the aggregate amounts payable (*verschuldigd*) to such Beneficiary in relation to the Mortgage Receivables and received on the Collection Foundation Account up to its Beneficiary Entitlement, if and to the extent such amounts are identified (as further set out in Clause 3) by the Foundation Administrator in accordance with the Transaction Documents as forming part of the Beneficiary Entitlement on behalf of the Originator or the relevant Beneficiary if, at the option of such Beneficiary, the Borrowers are instructed in accordance with and subject to Clause 10 to continue to pay to the Collection Foundation Account after the notification of the assignment by the relevant Beneficiary to such Borrower (each such undertaking hereinafter referred to as a "**Beneficiary Collection Foundation Payment Obligation**"). Each Beneficiary hereby accepts such undertaking and each New Beneficiary will accept such undertaking by acceding to this Agreement. The Collection Foundation will transfer, or will cause the transfer of, the amounts payable under each Beneficiary Collection Foundation Payment Obligation to the relevant Beneficiary Collection Account or such other account(s) as indicated in writing by such Beneficiary which is held by it or by any third party identified by it. In case the Beneficiary Entitlement and the rights of the Beneficiary vis-à-vis the Collection Foundation under this Agreement are pledged to the relevant Eligible Pledgee, the Collection Foundation will be required to pay to the pledgee after the pledgee has notified the Collection Foundation, that after such notification the amounts must be paid to such pledgee.

- 2.3 Each part of the Beneficiary Collection Foundation Payment Obligation will become due and payable (*opeisbaar*) as and when and to the extent one or more of the corresponding obligations of the Originator (or after notification of the Borrower of the assignment, the relevant Borrower) towards the relevant Beneficiary becomes due and payable, to the extent that the corresponding amount is received on the Collection Foundation Account.

Originator Collection Foundation Payment Obligation

- 2.4 The Originator hereby irrevocably and unconditionally instructs the Collection Foundation and the Collection Foundation hereby irrevocably and unconditionally undertakes with the Originator to pay (from time to time) to, or to the order of, the Originator, amounts equal to all amounts received on the Collection Foundation Account *other than* the amounts identified by the Foundation Administrator as forming part of any Beneficiary Entitlement and therefore the amounts as identified as amounts received in respect of the Mortgage Receivables to which the Originator holds title, any insurance premiums paid to the order of the Originator and/or any other amounts received on the Collection Foundation Account to which the Beneficiaries are not entitled to in accordance with this Agreement. If and to the extent such amounts are identified (as further set out in Clause 3) by the Foundation Administrator in accordance with the Transaction Documents as forming part of the Originator Entitlement (the "**Originator Collection Foundation Payment Obligation**"), the Collection Foundation will transfer, or will cause the transfer of, the amounts payable under the Originator Collection Foundation Payment Obligation to such account(s) as indicated in writing by the Originator. The Originator accepts such undertaking.

- 2.5 Each part of the Originator Collection Foundation Payment Obligation will become due and payable (*opeisbaar*) as and when and to the extent one or more of the corresponding obligations towards the Originator becomes due and payable, to the extent that the corresponding amount is received on the Collection Foundation Account.

Collection Foundation Payment Obligations

- 2.6 The Collection Foundation, each of the Beneficiaries and the Originator hereby acknowledge that:
- (a) each Collection Foundation Payment Obligation constitutes an undertaking, obligation and liability of the Collection Foundation to the relevant Beneficiary or the Originator, as the case may be, which

is separate and independent from, and without prejudice to, the obligations of the Beneficiary or the Originator, as the case may be, under the relevant Transaction Documents;

- (b) each Collection Foundation Payment Obligation constitutes an own separate and independent claim (*eigen en zelfstandige vordering*) of the relevant Beneficiary or the Originator, as the case may be, to receive payment of its Collection Foundation Payment Obligation from the Collection Foundation; and
- (c) the rights of the Beneficiaries and the Originator under the other Transaction Documents are not, and will not, be adversely affected or altered by this Agreement.

2.7 To the extent a Beneficiary irrevocably (*onherroepelijk*) and unconditionally (*onvoorwaardelijk*) receives any amount in payment of the relevant Beneficiary Collection Foundation Payment Obligation from the Collection Foundation, the obligation of the Originator vis-à-vis such Beneficiary to transfer the corresponding amounts under the relevant Transaction Documents to which such Beneficiary is a party shall be reduced by an equal amount so received. Each such Beneficiary and the Originator agrees and acknowledges that receipt of such amounts by the relevant Beneficiary or Originator, as the case may be, constitutes a full discharge of (the relevant part of) the relevant Collection Foundation Payment Obligation.

2.8 It is agreed that the Collection Foundation will only function as a passive payment address (*betaaladres*) in respect of amounts owed under the Mortgage Receivables and that it will not itself obtain any claim (*vorderingsrecht*) for payment against (i) any Borrower in respect of such Mortgage Receivables or (ii) any Beneficiary in respect of the Transaction Documents or the Originator in respect of the Transaction Documents.

3. INSTRUCTIONS

3.1 The Collection Foundation hereby appoints the Foundation Administrator as its agent and administrator and instructs the Foundation Administrator to render the services as set forth in this Agreement and the Foundation Administrator hereby accepts such appointment and instructions on the terms and subject to the conditions of this Agreement. The Parties agree that the Foundation Administrator for its own account and at its sole discretion may appoint one or more third parties to provide any of its services on its behalf, provided that such appointment shall not release or discharge the Foundation Administrator in any way from its obligations

and/or liabilities under this Agreement.

- 3.2 The Collection Foundation hereby instructs the Foundation Administrator to make determinations and calculations of each Beneficiary Entitlement and the Originator Entitlement (in accordance with the entitlements of the relevant Beneficiary or the Originator under the Transaction Documents or otherwise) and the Collection Foundation Payment Obligations, which determinations and calculations shall be binding in the absence of a manifest error, subject to proof to the contrary. The Collection Foundation hereby instructs the Foundation Administrator to transfer the amounts corresponding to the relevant Beneficiary Entitlement to the relevant Beneficiary and the Originator Entitlement to the Originator, on or prior to each relevant Monthly Payment Date, or such earlier time as required pursuant to this Agreement after moneys are received on the Collection Foundation Account (i) up to the relevant Beneficiary Entitlement to the relevant Beneficiary Collection Account set forth in **Schedule 3** from time to time or such other account as indicated by the relevant Beneficiary which is held by it or by any third party identified by it and (ii) up to the Originator Entitlement to such account as indicated by the Originator which is held by it or by any third party identified by it. Each Beneficiary or the Originator, as the case may be, undertakes to inform the Collection Foundation of any such other account and, upon having received such information, the Foundation Administrator will on behalf of the Collection Foundation update **Schedule 3** hereto. The Parties agree that the Collection Foundation shall in no circumstance be liable for such information provided by any Beneficiary and/or the Originator not being accurate and/or complete. The Parties agree that the administration of the Collection Foundation on the basis of the information relating to the Beneficiary Collection Accounts received by the Collection Foundation from the Beneficiaries from time to time and correctly processed in the administration of the Collection Foundation shall, in the absence of manifest error, be binding. In case the Originator or the Foundation Administrator becomes aware of an error or is notified by a Beneficiary of an error and is provided with any and all relevant information required to process any information relating to such Beneficiary, the Originator or the Foundation Administrator, respectively, shall rectify such error as soon as reasonably practicable in its administration and shall inform the Collection Foundation and the Foundation Administrator or the Originator, respectively, thereof as soon as practicable. The Originator and each of the Beneficiaries shall upon request provide all information required by the Collection Foundation and/or the Foundation Administrator to comply with its obligations under this Agreement. The Foundation Administrator hereby accepts such instruction.

- 3.3 The Originator and each of the Beneficiaries hereby instruct the Foundation Administrator to provide the Collection Foundation with such information as the Collection Foundation may reasonably require to determine whether moneys paid into the Collection Foundation Account are payable to the relevant Beneficiary or the Originator, as the case may be.
- 3.4 Each of the Originator and Beneficiaries agree that the calculations of the Foundation Administrator shall be binding in the absence of a manifest error, subject to proof to the contrary. The Foundation Administrator shall, upon request of any of the Originator, the Collection Foundation or the Beneficiaries, substantiate its calculations and in case of any error, remedy such error as soon as reasonably possible but in any event within five (5) Business Days. The Foundation Administrator hereby accepts such instruction.
- 3.5 The Foundation Administrator shall provide the Collection Foundation, or, upon instruction of the Collection Foundation or the Beneficiaries directly, with overviews of the calculations and payments to be made to the relevant Beneficiary or the Originator, as the case may be, on a monthly basis.
- 3.6 The Originator and each of the Beneficiaries hereby irrevocably instruct the Foundation Administrator to the extent required by way of mandate (*lastgeving*), to collect payments due by Borrowers in respect of the Mortgage Receivables on the Collection Foundation Account and to cause or continue to cause the payments by the Borrowers under the Mortgage Receivables to be transferred to the Collection Foundation Account, in the name of the Originator or the relevant Beneficiary, provided that upon notification of the assignment of the Mortgage Receivables to the relevant Borrowers, the written instructions of the relevant Beneficiary shall prevail over this instruction. The Foundation Administrator hereby accepts such instruction.
- 3.7 The Originator undertakes towards the Collection Foundation and each Beneficiary to instruct (i) the Borrowers to pay to the Collection Foundation Account and not to instruct the Borrowers to pay any amounts in respect of the Mortgage Receivables into an account other than the Collection Foundation Account without the prior written approval of the relevant Beneficiary and (ii) Stichting WEW to pay any amounts under any NHG Guarantee and NHG Advance Rights, if possible, to the Foundation Collection Account and not to instruct Stichting WEW to pay into an account other than the Foundation Collection Account without the prior written approval of the relevant Beneficiaries jointly.

- 3.8 The Originator and each of the Beneficiaries request and instruct the Collection Foundation to receive amounts due in respect of the Mortgage Receivables by means of direct debit in accordance with the direct debit mandates (*incassovolmachten*) (unless the Borrower has withdrawn such instruction) and the Originator will ensure that the Collection Foundation is duly authorised to receive amounts due in respect of the Mortgage Receivables by means of direct debit in accordance with the direct debit mandates (*incassovolmachten*) (unless the Borrower has withdrawn such instruction), whether in its own name or as authorised representative (*gemachtigde*) of the Originator, with the power of substitution. The Originator represents that the Collection Foundation is duly authorised to receive by means of direct debit amounts in respect of the Mortgage Receivables unless the Borrower has withdrawn such instruction. In case any Borrower has a question in relation to the direct debits or is in doubt as to whether its payment obligation has been discharged by such direct debits, the Originator, also on behalf of the Collection Foundation, undertakes to inform such Borrower of such transfer of the Collection Foundation Account to the Collection Foundation and, to the extent required, instruct such Borrower to provide a direct debit mandate to the Collection Foundation.
- 3.9 The Foundation Administrator is hereby instructed by the Collection Foundation to, and will on behalf of the Collection Foundation, arrange for all direct debits in accordance with Clause 3.8 to be made from the account of the Borrowers in respect of amounts due on the Mortgage Receivables which the Collection Foundation is authorised and, if applicable, licenced to make and shall debit the amount in respect of the Mortgage Receivables from the account of the Borrowers into the Collection Foundation Account.
- 3.10 The Foundation Administrator undertakes towards the Collection Foundation and each of the Beneficiaries neither to follow instructions from the Originator or any third party, nor to take the initiative to transfer amounts in respect of the Mortgage Receivables from the account of the Borrowers to an account other than the Collection Foundation Account without the prior written approval obtained by the Originator of each of the relevant Beneficiaries and the Collection Foundation. For the avoidance of doubt, neither the Originator nor the Collection Foundation shall instruct the Foundation Administrator or the Borrowers to transfer amounts in respect of the Mortgage Receivables from the account of the Borrowers to an account other than the Collection Foundation Account without actually having obtained the required approvals mentioned above and the Foundation Administrator may rely on such approval of each of the Collection Foundation and each of the Beneficiaries.

- 3.11 The Originator, to the extent required upon instruction by way of mandate (*lastgeving*) by each of the Beneficiaries, undertakes to answer any queries from any relevant Borrower for whatever reason relating to the Collection Foundation.
- 3.12 For the avoidance of doubt, each Beneficiary hereby authorises the Originator to continue to collect the Mortgage Receivables purchased by and assigned or otherwise transferred to such Beneficiary in its own name but for the account of that Beneficiary on the Collection Foundation Account on the basis of a mandate (*lastgeving*), until the relevant Borrowers are notified of the assignment of the Mortgage Receivables to such Beneficiary.
- 3.13 No amount shall at any time be withdrawn by the Collection Foundation or the Foundation Administrator from the Collection Foundation Account at the instruction of or for the account of the Originator or any Beneficiary, unless the Foundation Administrator on behalf of the Collection Foundation shall first have ascertained itself that no other Party is entitled to (part of) such amount pursuant to this Agreement.
- 3.14 If the Collection Foundation or the Foundation Administrator on its behalf transfers an amount to any Party who is not entitled to such amount (including as a result of a reversal (*stomerling*) of a direct debit by a Borrower and/or amounts which have been paid in excess of the collection actually received), the relevant Party will as soon as possible upon becoming aware or being notified thereof and in any event within five (5) Business Days, retransfer such amount or transfer the same amount to the Collection Foundation Account, to the extent such amount exceeds (i) in respect of a Beneficiary, the relevant Beneficiary Entitlement as calculated on the immediately preceding Monthly Calculation Date or (ii) in respect of the Originator, the Originator Entitlement as calculated on the immediately preceding Monthly Calculation Date.
- 3.15 The Foundation Administrator will procure that it has the required licences to act on behalf of the Collection Foundation and to ensure that either the Collection Foundation needs no licence or, if a licence is required to act as Collection Foundation, it will inform the Collection Foundation thereof and shall undertake its best efforts to ensure that the Collection Foundation will timely obtain the required licence or licences to perform its functions under this Agreement.
- 3.16 Notwithstanding anything to the contrary set forth in this Agreement, each of the Collection Foundation and the Foundation Administrator will procure that any amounts held on the Collection Foundation Account for

the benefit of a party that is considered to form part of the Public, shall be distributed ultimately on the fourth calendar day following the day on which moneys are received and provided it has received the required information to determine which amount is due to each of the Beneficiaries or the Originator, as the case may be. Each of the Originator and each Beneficiary hereby confirms to the Collection Foundation that it does not form part of the Public.

4. REPLACEMENT OF THE FOUNDATION ADMINISTRATOR

- 4.1 The Foundation Administrator undertakes towards each of the Beneficiaries and the Collection Foundation that the entity replacing the Originator as servicer of all Mortgage Receivables shall accede to this Agreement or enter into an agreement substantially in the form hereof to replace the Foundation Administrator for making the calculations (and if requested, make payments) which it is required to make under this Agreement on behalf of the Collection Foundation and to comply with this Agreement. Until such entity has replaced the Foundation Administrator as a servicer of the Mortgage Receivables and acceded to this Agreement or entered into an agreement substantially in the form hereof, the Foundation Administrator shall continue to perform such services under this Agreement.
- 4.2 If the Foundation Administrator has taken any corporate action or any steps have been taken or legal proceedings have been instituted for its entering into suspension of payments or for bankruptcy or for the appointment of a receiver or a similar officer of its or any or all of its assets or any analogous insolvency proceedings under any Applicable Law in respect of the Foundation Administrator have become effective (other than a resolution measure or recovery measure under the Belgian Banking Act), then the Collection Foundation shall appoint a new foundation administrator which shall accede to this Agreement or enter into an agreement substantially in the form hereof to replace the Foundation Administrator for making the calculations (and if requested, make payments) which it is required to make under this Agreement on behalf of the Collection Foundation and to comply with this Agreement. Until such entity has replaced the Foundation Administrator as foundation administrator and acceded to this Agreement or entered into an agreement substantially in the form hereof, the Foundation Administrator shall continue to perform such services under this Agreement.
- 4.3 Upon the replacement of the Foundation Administrator pursuant to this Clause 4, the Foundation Administrator shall at the request of the Collection Foundation forthwith deliver to the Collection Foundation, the

new foundation administrator or to such person as the Collection Foundation shall direct all information, to the extent the Foundation Administrator has such information available, needed in the sole opinion of the Collection Foundation to identify the amounts payable under the relevant Collection Foundation Payment Obligation.

5. UNDERTAKINGS

5.1 The Collection Foundation hereby undertakes and covenants towards each of the other Parties that it shall:

- (a) keep in force all licences, approvals, authorisations and consents which may be necessary in connection with the performance of its obligations under the Collection Foundation Documents;
- (b) not take any action (including any instruction, decision or approval) to dissolve the Collection Foundation, enter into a legal merger (*juridische fusie*) or legal demerger (*splitsing*) involving the Collection Foundation or to have the Collection Foundation request the court to grant a suspension of payments (*surseance van betaling*) or to declare its bankruptcy (*faillissement*) or any analogous insolvency proceedings under any Applicable Law for the appointment of a receiver or a similar officer of it or of any or all of its assets or to agree on an arrangement as provided for in the act on the confirmation of private restructuring plans (*Wet homologatie onderhands akkoord*);
- (c) not grant a right of pledge or any other security interest in favour of any third party (including but not limited to the Collection Foundation Account Bank) on all or parts of its claims for payment which the Collection Foundation has and will have against the Collection Foundation Account Bank from time to time in connection with moneys (including but not limited to moneys received in respect of the Mortgage Receivables) which have been or will be paid from time to time into the Collection Foundation Account (other than in the Collection Foundation Account Rights Pledge Agreement);
- (d) other than in the Collection Foundation Account Rights Pledge Agreement, not pledge its assets for the benefit of any other entity or make any loans or advances to any entity;
- (e) maintain books and records separate from any other person or entity;

- (f) maintain its account separate from those of any other person or entity;
- (g) not commingle (*vermengen*) its assets with those of any other entity;
- (h) conduct its own business (if any) in its own name;
- (i) maintain separate financial statements (to the extent required by law);
- (j) perform each of its obligations under this Agreement and the other Collection Foundation Documents and when performing such obligations it will comply with Applicable Laws, including the Regulation on the Protection of Personal Data;
- (k) observe all formalities required by its articles of association;
- (l) as long as any amounts under or in connection with the Mortgage Receivables are paid into the Collection Foundation Account, it will not amend its articles of association unless approved by the Originator;
- (m) not have any affiliates or employees (other than its directors);
- (n) not guarantee or become obligated for the debts of any other entity or hold out its credit as being available to satisfy the obligations of others, except as provided for in this Agreement;
- (o) not incur any debt, nor acquire obligations, nor securities (other than as provided for in this Agreement);
- (p) only open an account with the Collection Foundation Account Bank, unless Clause 5.4 is applicable;
- (q) use separate stationery and invoices from any other entity;
- (r) hold itself out as a separate entity;
- (s) correct any known misunderstanding regarding its separate identity;
and
- (t) comply with all undertakings made by its Director in the Collection Foundation Management Agreement.

- 5.2 Each Party hereby acknowledges and agrees that there will be no overdraft on the Collection Foundation Account by it. The Collection Foundation Account Bank may rely on instructions of the Foundation Administrator and/or the Collection Foundation and has no obligation to verify their instructions. The Collection Foundation Account Bank shall not comply with any direction of the Foundation Administrator or the Collection Foundation in respect of the Collection Foundation Account if, together with other directions given by the Foundation Administrator or the Collection Foundation, such direction would result in an overdraft of the Collection Foundation Account. The Foundation Administrator shall only transfer amounts standing to the balance of the Collection Foundation Account in accordance with the Collection Foundation's obligations under this Agreement, provided that as a result of reversals (*storneringen*) by Borrowers it may be that the Collection Foundation Account will have a debit balance in which case Clause 3.14 applies.
- 5.3 The Originator undertakes towards the Collection Foundation and each of the Beneficiaries to forthwith, but in any event within five (5) Business Days, transfer to the Collection Foundation Account any amounts received from a Borrower by it in respect of the Mortgage Receivables assigned or otherwise transferred to a Beneficiary on a bank account other than the Collection Foundation Account.
- 5.4 If at any time the Collection Foundation Account Bank is assigned a rating below the Required Ratings, the Foundation Administrator on behalf of the Collection Foundation will notify any relevant Rating Agencies thereof and will as soon as reasonably possible, but at least within the Relevant Remedy Period, either:
- a. (A) open an escrow account in the name of the relevant Beneficiary at the cost of the Originator and (B) transfer to the escrow account an amount equal to the highest single amount of principal, interest and prepayment penalties received since the closing date of the relevant transaction on the relevant Beneficiary Collection Account during one Mortgage Calculation Period (as defined in the relevant Transaction Documents); or
 - b. ensure that payments to be made by the Collection Foundation Account Bank will be fully guaranteed pursuant to an unconditional and irrevocable guarantee which complies with what is set out in the applicable criteria of the Rating Agencies; or
 - c. transfer the Collection Foundation Account to a new account provider; or
 - d. implement any other actions to maintain the then current ratings assigned to the Class A Notes of the relevant transactions, if any, provided that in case of item a. or b. or c. above (i) such party shall be (x)

a bank established in the Netherlands having the Required Ratings or (y), if none of the banks established in the Netherlands has the Required Ratings, a bank established in any other country within the European Union having the Required Ratings and (ii) a right of pledge is vested on the rights in respect of such accounts under a pledge agreement upon terms substantially the same as the Collection Foundation Account Rights Pledge Agreement, including, for the avoidance of doubt, the terms with respect to the release of any right of pledge, any right of set off and any right of suspension of performances pursuant to the applicable general conditions of the new account provider. The Collection Foundation Account Bank agrees to pay any reasonable costs incurred by the Collection Foundation as a result of the action described in this Clause 5.4.

5.5 The Foundation Administrator, on behalf of the Collection Foundation and the Originator, undertakes that no collections by means of direct debit will be made to the Collection Foundation Account other than with respect to Borrowers under the Mortgage Receivables.

6. ACCESSION OF NEW BENEFICIARIES

6.1 At any time after the date hereof additional beneficiaries (each a "**New Beneficiary**") to which the Originator has assigned or otherwise transferred mortgage loan receivables may accede and become a party to this Agreement upon completion and execution of a Collection Foundation Accession Notice and acceptance thereof by the Collection Foundation on behalf of itself and the other Parties. All Parties hereby irrevocably agree to such New Beneficiary becoming a party to this Agreement following completion and execution of the relevant Collection Foundation Accession Notice, and (for the avoidance of doubt) each Party hereby grants an irrevocable power of attorney to the Collection Foundation to do such further acts as may be deemed required to agree to such new parties to accede to this Agreement on such Party's behalf.

6.2 The Collection Foundation and the Collection Foundation Account Bank agree that any Beneficiary may pledge its rights under this Agreement (including the Beneficiary Entitlements) to an Eligible Pledgee. In such case the relevant Beneficiary shall notify the Collection Foundation, the Collection Foundation Account Bank and the Foundation Administrator of such pledge and which party shall be or remains entitled to collect such rights in accordance with Article 3:246 NCC, including any changes thereof.

6.3 The Parties agree that upon the accession of a New Beneficiary pursuant to this Clause 6 the Foundation Administrator will update Schedule 2 and

Schedule 3 of this Agreement by including the notice details and the account details of such New Beneficiary. In addition, the Foundation Administrator will update Schedule 2 and/or Schedule 3 of this Agreement, as the case may be, in case it receives from a Beneficiary a change of the notice details or the account details of such Beneficiary.

7. FURTHER ASSURANCE, FEES AND COSTS

- 7.1 The Originator and/or each Beneficiary may notify the Rating Agencies of each material amendment, modification or waiver to the Collection Foundation Documents and/or the articles of association of the Collection Foundation prior to becoming effective, provided that (i) such Rating Agency assigns a rating to any of the Notes issued under or in connection with any of the Transaction Documents and (ii) such amendment, modification or waiver in its reasonable opinion may have an adverse effect on the then current rating of the Notes issued under or in connection with any of the Transaction Documents or it is obliged to notify the Rating Agencies thereof in accordance with any of the relevant Transaction Documents. The Party that notifies a Rating Agency of such amendment, modification or waiver shall inform the other Parties, the Collection Foundation and the Foundation Administrator thereof as soon as reasonably possible.
- 7.2 The Parties agree that they will co-operate fully to do all such further acts and things and execute any further documents as may be reasonably necessary or reasonably desirable to give full effect to the arrangements contemplated by this Agreement.
- 7.3 Subject to Clause 7.4, in case the Collection Foundation or the Foundation Administrator wishes to amend this Agreement, each other Party undertakes to respond to any reasonable requests in relation thereto within a reasonable timeframe and not unreasonably withhold its consent to such amendment.
- 7.4 The Collection Foundation and the Foundation Administrator jointly may amend this Agreement without prior consent of the other Parties in case the envisaged modification is of a formal, minor or technical nature, is made to correct a manifest error or is required due to a change in any Applicable Law. Any such modification shall be binding to the Parties and shall be notified to each of the Parties.
- 7.5 The Foundation Administrator shall not be entitled to receive a fee from the Collection Foundation for its services performed under this Agreement. Any fee of the Foundation Administrator is part of the relevant Transaction

Document, whether or not by reference.

- 7.6 All reasonable costs and expenses of the Collection Foundation including any Banking Fees in connection with this Agreement are for the account of and to be borne by the Originator, unless otherwise agreed in the relevant Transaction Documents.
- 7.7 Any Collection Foundation Account Interest in respect of the Collection Foundation Account shall be borne by or be for the benefit of the Originator and as such be part of or deducted from the Originator Entitlement of the Originator, unless otherwise agreed upon in such relevant Transaction Documents.
- 7.8 The Foundation Administrator is not liable (*aansprakelijk*) for its specific performance under this Agreement and the Collection Foundation Account Rights Pledge Agreement. Any liability of the Foundation Administrator is part of the relevant Transaction Document, whether or not by reference.

9. LIMITED RECOURSE, NO PETITION

- 9.1 Each of the Beneficiaries agrees and acknowledges that its recourse against the Collection Foundation shall be limited to the balance standing to the credit of the Collection Foundation Account up to its Beneficiary Entitlement. The Originator agrees and acknowledges that its recourse against the Collection Foundation shall be limited to the balance standing to the credit of the Collection Foundation Account up to its Originator Entitlement.
- 9.2 Each Beneficiary and the Originator will only have remedy against the Collection Foundation pursuant to the Collection Foundation Account Rights Pledge Agreement. In the event that the Collection Foundation Account Rights Pledge Agreement has been fully enforced and the proceeds of such enforcement and any other amounts received by a Beneficiary or the Originator are insufficient to pay in full all amounts outstanding in respect of the respective payment to that Beneficiary or the Originator, respectively, then that Beneficiary or the Originator, as the case may be, shall have no further claim against the Collection Foundation in respect of such unpaid amount (however this limitation will not reduce any

claims of that Beneficiary vis-à-vis the Originator or vice versa, if any).

- 9.3 Each of the Foundation Administrator and the Collection Foundation Account Bank agrees and acknowledges that its recourse against the Collection Foundation shall be limited to the rights of the Collection Foundation under the Collection Foundation Documents. Their respective recourses will thus not extend to any amounts standing to the balance of the Collection Foundation Account forming part of a Beneficiary Entitlement or Originator Entitlement. In the event that the rights of the Collection Foundation under the Collection Foundation Documents are insufficient to pay in full all amounts due by the Collection Foundation to the Foundation Administrator and/or the Collection Foundation Account Bank, if any, then the Foundation Administrator and/or the Collection Foundation Account Bank shall have no further claim against the Collection Foundation in respect of such unpaid amount.
- 9.4 The Parties (other than the Collection Foundation) will not institute against the Collection Foundation or join any other person in instituting against the Collection Foundation any bankruptcy (*faillissement*) or any other insolvency proceedings under any Applicable Laws.
- 9.5 For the avoidance of doubt, the Originator hereby agrees and acknowledges that it is not entitled to any amounts paid by the Borrowers into the Collection Foundation Account to the extent forming part of any Beneficiary Entitlement, other than (i) any fees and/or any other amounts due and payable to the Originator which are and may be deducted from the relevant Beneficiary Entitlement subject to and in accordance with the relevant Transaction Documents and/or (ii) amounts equal to all amounts received on the Collection Foundation Account in respect of Mortgage Receivables other than the Mortgage Receivables of the Beneficiaries as the amounts identified by the Foundation Administrator forming part of any Beneficiary Entitlement and therefore the amounts as identified as amounts received in respect of the Mortgage Receivables to which the Originator holds title, any insurance premiums paid to the order of the Originator and/or any other amounts received on the Collection Foundation Account to which the Beneficiaries are not entitled to in accordance with this Agreement.
- 9.6 For the avoidance of doubt, each Beneficiary hereby agrees and acknowledges that it is not entitled to any amounts paid by the Borrowers into the Collection Foundation Account to the extent forming part of the Originator Collection Foundation Payment Obligation.

10. NOTIFICATION

The provisions set out in this Agreement shall no longer apply in respect of Mortgage Receivables in respect of which notification has been made that payments in discharge of the relevant Borrower's obligations under the Mortgage Receivables may only be made to the relevant Beneficiary and provided that the Collection Foundation and the Foundation Administrator on its behalf are willing to undertake to transfer or procure the transfer of such amounts from the Collection Foundation Account to the relevant Beneficiary, unless and for so long the relevant Beneficiary has instructed the Borrowers to continue to pay into the Collection Foundation Account and the Foundation Administrator has access to the required data. The Originator and/or the relevant Beneficiary shall without undue delay inform the Collection Foundation and the Foundation Administrator of any such notification and the consequences thereof to the extent it is aware thereof.

11. RESIGNATION OF BENEFICIARIES

All Parties hereby irrevocably agree that, if at any time a Beneficiary no longer holds title to any Mortgage Receivables and all amounts credited on the Collection Foundation Account in respect of such Mortgage Receivables (previously) held by such Beneficiary have been transferred to such Beneficiary, such Beneficiary is deemed to have resigned as a Beneficiary and automatically ceases to be a party to this Agreement without the need for any further action, and such resignation and termination is accepted (in advance) by all parties. The relevant Beneficiary will inform the Collection Foundation and the Foundation Administrator as soon as possible in case it no longer holds title to any Mortgage Receivables.

12. BANK ACCOUNT INFORMATION

The Collection Foundation Account Bank hereby agrees to provide the Collection Foundation and the Foundation Administrator the possibility to electronically monitor the balance standing to the credit of the Collection Foundation Account and any transfers made to and withdrawals from the Collection Foundation Account.

13. POWERS OF ATTORNEY

- 13.1 Each of the Beneficiaries hereby grants a power of attorney to the Originator to accept on behalf of each relevant Beneficiary the third party stipulations (*derdenbedingen*) made, whether implicitly or explicitly, in the Collection Foundation Management Agreement and to enter into the first

and any new Collection Foundation Account Rights Pledge Agreement on behalf of each relevant Beneficiary from time to time.

- 13.2 The Collection Foundation hereby grants a power of attorney to the Foundation Administrator required to render the services as set forth in this Agreement (including in respect of the Collection Foundation Account) on its behalf on the terms and subject to conditions of this Agreement and the Foundation Administrator hereby accepts such power of attorney.

14. USE OF INFORMATION

Each Party shall not use information directly or indirectly obtained under or in connection with any Collection Foundation Documents including in respect of a Beneficiary for its investment objectives and/or criteria, other than is apparent from any report and only to the extent such information cannot be linked to a specific Beneficiary.

15. NO DISSOLUTION, NO NULLIFICATION

To the extent permitted by law, the Parties hereby waive their rights pursuant to Article 6:265 NCC to dissolve (*ontbinden*), or demand in legal proceedings the dissolution (*ontbinding*) of, any Collection Foundation Document. Furthermore, to the extent permitted by law, the Parties hereby waive their rights under Article 6:228 NCC to nullify, or demand in legal proceedings the nullification of, any Collection Foundation Document on the ground of error (*dwalig*).

16. PARTIAL INVALIDITY

The illegality, invalidity or unenforceability of any provision of any Collection Foundation Document or any part thereof under the law of any jurisdiction shall not affect its legality, validity or enforceability under the law of any other jurisdiction nor the legality, validity or enforceability of any other provision. In the event that a provision of any Collection Foundation Document is invalid, illegal, not binding, or unenforceable (either in whole or in part), the remainder of any Collection Foundation Document shall continue to be effective to the extent that such remainder is not inextricably related to and therefore inseparable from the invalid, illegal, not binding or unenforceable provision. The parties shall make every effort to reach agreement on a new clause which differs as little as possible from the invalid, illegal, not binding or unenforceable provision, taking into account the substance and purpose of this Agreement.

17. DATA PROTECTION

- 17.1 Irrespective of any provision to the contrary in this Agreement or any other Transaction Document, none of the Parties hereto shall have an obligation under this Agreement or any other Transaction Document to provide any Personal Data as a result of which such Party, in its reasonable opinion, would violate any of the provisions or requirements of the Regulation on the Protection of Personal Data.
- 17.2 If at any time this Agreement and the arrangements laid down herein need to be modified as a result of the Regulation on the Protection of Personal Data, the Parties will cooperate and agree to any such modification in order to enable each of the parties to comply with any requirements which apply to it under the Regulation on the Protection of Personal Data.
- 17.3 In case a Borrower makes use of his right to request access to Personal Data in accordance with article 15 of the Regulation on the Protection of Personal Data, each of the Parties will use all reasonable endeavours to ensure that the party who has been duly requested by the Borrower to grant access to Personal Data can comply with such request.

18. GOVERNING LAW AND DISPUTES

- 18.1 This Agreement and any non-contractual obligations arising out of or in relation to this Agreement, including Clause 18.2 hereof, shall be governed by and construed in accordance with Dutch law.
- 18.2 Any disputes arising out of or in connection with this Agreement, including, without limitation, disputes relating to any non-contractual obligations arising out of or in connection with this Agreement shall be submitted to the exclusive jurisdiction of competent courts in Amsterdam, the Netherlands.

4 MANAGEMENT

- 4.1 The Pledges will, pursuant to Article 3:168(1) NCC, jointly (i) manage (*beheren*) the co-owned right of pledge on the Foundation Collection Account Rights, including the right to foreclose such right of pledge on the Foundation Collection Account Rights, (ii) dispose of (*beschikken over*) such relevant co-owned right of pledge on the Foundation Collection Account Rights and (iii) exercise all rights in connection therewith including the right to foreclose the right of pledge on the Foundation Collection Account Rights.

5 SHARING AGREEMENT

- 5.1 In accordance with Article 3:166(2) NCC, the share (*aandeel*) of each Pledgee in the co-owned right of pledge on the Foundation Account Rights, is equal to the amounts paid into the Collection Foundation Account under or in connection with the Mortgage Receivables up to relevant Entitlement. The Collection Foundation and the Pledges hereby agree that the calculation and determination by the Foundation Administrator (or its successor) will be binding in the absence of manifest error, on the Collection Foundation and the Pledges.
- 5.2 Notwithstanding Clause 5.1 and Clause 11, if the total net proceeds of the foreclosure of the relevant right of pledge on the Foundation Account Rights exceed the relevant Entitlement as determined by the Foundation Administrator (or its successor or successors), such excess amount will be forthwith paid to the Collection Foundation by the relevant Pledgee who received (part of) such excess amount and (to the extent relevant and possible) each of the Pledges release in advance its right of pledge on such excess amount.
- 5.3 To the extent permitted by law and as far as applicable, each of the Pledges hereby waive *vis-à-vis* each other from requesting division of the co-owned right of pledge on the Foundation Account Rights.
- 5.4 The Parties hereby agree that each waiver to request division of the relevant right of pledge shall be valid for a period of five years (such

five-year period the "**Waiver Period**") commencing on the date of this Agreement. Upon termination of a Waiver Period, such Waiver Period will be automatically renewed for a period of five years.

- 5.5 Upon a breach by any of the Parties of any of its obligations under this Clause 5 or upon any of the arrangements contained in this Clause 5 being dissolved, void, nullified or ineffective for any reason in respect of one of the Parties (including the bankruptcy of one of the Parties), such defaulting Party shall compensate the other Parties forthwith for any and all loss, cost, claim, damage and expense whatsoever (including, without limitation, any reasonable, legal and accounting fees and expenses) such other Parties may incur as a result thereof.
- 5.6 Each Pledgee hereby agrees that in case the Collection Foundation is in default regarding its obligation under this Agreement, in particular Clause 10, it will co-operate with the foreclosure of the relevant right of pledge on the Foundation Account Rights. To the extent required, all Parties will co-operate to create new or additional rights of pledge.

6 COLLECTION OF THE RELEVANT CLAIMS

- 6.1 As long as the pledge on the Foundation Account Rights remains in force, the Pledgees jointly are entitled to collect the Foundation Account Rights and to enter into compromises, settlements (*akkoorden*) and other agreements with the Account Bank and to exercise all other rights of the Collection Foundation in connection with the Foundation Account Rights (including calling in (*opzeggen*) the Foundation Account Rights). Each of the Pledgees hereby authorises (*verlenen toestemming aan*) the Collection Foundation in accordance with Article 3:246(4) NCC, to exercise such rights in relation to the Foundation Account Rights and to distribute the collections in accordance with the Receivables Proceeds Distribution Agreement, which authorisation shall terminate upon the earlier of (i) the notification to the Account Bank of the occurrence of a Collection Foundation Event of Default (as defined below) and (ii) the Account Bank becoming aware the occurrence of such Collection Foundation Event of Default.
- 6.2 If:
- (a) a default is made by the Collection Foundation in the payment on the due date of any amount due and payable by the Collection Foundation under the Receivables Proceeds Distribution

Agreement to any of the Pledges and such failure is not remedied or waived within ten (10) Business Days after notice thereof has been given by the relevant Pledgee(s) to the Collection Foundation; or

- (b) the Collection Foundation fails to perform or comply with any of its obligations under the Receivables Proceeds Distribution Agreement to any of the Pledges and, if such failure is capable of being remedied, such failure is not remedied or waived within twenty (20) Business Days after notice thereof has been given by the relevant Pledgee(s) to the Collection Foundation; or
- (c) any representation, warranty or statement made or deemed to be made by the Collection Foundation in this Agreement or in the Receivables Proceeds Distribution Agreement proves to have been, and continues to be after the expiration of any applicable grace period as set out in this Agreement or the Receivables Proceeds Distribution Agreement, untrue or incorrect in any material respect; or
- (d) the Collection Foundation has taken any corporate action or any steps have been taken or legal proceedings have been instituted for its entering into a suspension of payments (*surseance van betaling*) or for its bankruptcy (*faillissement*) or for any analogous insolvency proceedings under any applicable law or for the appointment of a receiver or a similar officer of it or of any or all of its assets; or
- (e) the Collection Foundation has taken any corporate action or any steps have been taken or legal proceedings have been initiated for its dissolution (*ontbinding*) and liquidation (*vereffening*) or a merger or demerger involving the Collection Foundation or for the conversion (*conversie*) of the Collection Foundation into a foreign entity; or
- (f) at any time it becomes unlawful for the Collection Foundation to perform all or a material part of its obligations hereunder or the Receivables Proceeds Distribution Agreement,

(each a "**Collection Foundation Event of Default**"), any of the Pledges may inform the Account Bank and the other Parties in writing of (i) the occurrence of such Collection Foundation Event of Default,

as the case may be; and (ii) the termination of the authorisation set out in Clause 6.1.

- 6.3 Upon the occurrence of a Collection Foundation Event of Default and the withdrawal of the authorisation set out in Clause 6.1 any moneys received by the Collection Foundation in respect of the Foundation Account Rights are received by it on behalf of each of the Pledges.

7 CONFIRMATIONS AND WAIVER BY THE ACCOUNT BANK

- 7.1 The Account Bank hereby unconditionally and irrevocably waives (*doet afstand van*) (i) its right of pledge on the Foundation Account Rights pursuant to its General Conditions and any other right that would create a security right on the Foundation Account Rights and (ii) any rights of set-off (*verrekening*) and suspension of performance (*opschorting*) in respect of the Foundation Account Rights pursuant to its General Conditions, which waivers are hereby accepted by the Collection Foundation.
- 7.2 Other than any provision of the General Conditions that would create (i) a security right on the Foundation Account Rights and/or any interest accruing thereon or on any part thereof or (ii) any rights of set off (*verrekening*) and suspension of performance (*opschorting*) in respect of the Foundation Account Rights, the General Conditions apply. In case of a conflict between the General Conditions and the provisions of this Agreement, the provisions of this Agreement shall prevail.

- 8.1 Upon notification as referred to in Clause 6.2, the Account Bank shall (subject to statutory requirements and in the absence of manifest error or fraud) only comply with the instructions given by the relevant Pledges jointly, in respect of the Collection Foundation Account in any

way relating to the Collection Foundation Account or the Foundation Account Rights and more in particular, the Account Bank will refrain from making payments or transferring moneys from the Collection Foundation Account or the Foundation Account Rights unless specifically instructed to do so by the relevant Pledges jointly. The Account Bank may comply with such notice or instruction without the Collection Foundation's approval being required. The Account Bank is under no obligation to make any inquiry as to the validity of such notice or instruction.

- 8.2 As long as the right of pledge on the Foundation Account Rights remains in effect, upon the termination of the authorisation set out in Clause 6.1, (i) any moneys received by the Collection Foundation are received by it on behalf of the relevant Pledges, (ii) the Account Bank shall keep the moneys received on behalf of such Pledges separated from the other property, if any, of the Collection Foundation and (iii) the Account Bank shall (subject to statutory requirements) only comply with the instructions given by the relevant Pledges jointly, regarding the Collection Foundation Account and (iv) the Collection Foundation will refrain from making payments or transferring moneys from the Collection Foundation Account unless (a) specifically instructed to do so by the relevant Pledges acting jointly and/or (b) required to pay any negative interest on the Collection Foundation Account to the Account Bank. The Collection Foundation agrees that the relevant Pledges, acting jointly, are entitled to distribute the moneys received on behalf of the relevant Pledges. The Pledges hereby instruct the Foundation Administrator (or its successor) in advance that the moneys received on behalf of the Pledges will be divided and distributed to each relevant Pledgee up to its Entitlement. The Pledges hereby instruct the Account Bank to execute such instruction(s) of the Foundation Administrator.
- 8.3 When acting in accordance with the provisions of Clause 8.1 or 8.2, the Account Bank shall not be liable towards either the Pledges or the Collection Foundation for the debiting of the Collection Foundation Account and each of the Pledges, provided that the Collection Foundation Account may ever be overdrawn, subject to any reversal (*stornering*). The Pledges shall be under no obligation to inform the Collection Foundation or any other persons having any limited property rights (*beperkte rechten*) or having levied an attachment on or against all (or any part of) the Foundation Account Rights of their intentions to collect or sell (any part of) the Foundation Account Rights, nor are the Pledges required to make such communication when it has proceeded to sell all (or any part of) the Foundation Account Rights (as referred to in Article 3:249 and Article 3:252 NCC). - a. to do anything which the Collection Foundation is obliged to do (but has not done after receipt of a notice or reminder (*ingebrekestelling*)) under this Agreement including, but without limitation, to complete and execute any document to

- 17.3 Irrespective of any provision to the contrary in this Agreement or any other Collection Foundation Documents, none of the Parties shall have an obligation under this Agreement or any other Collection Foundation Documents to provide any personal information or personal data as a result of which such Party, in its reasonable opinion, would violate any of the provisions or requirements of the General Data Protection Regulation.
