Notice of correction

NOTICE IS HEREBY GIVEN that the prospectus in relation to the Notes of the Issuer published on 25 March 2024 (the "**Prospectus**") contains minor mistakes on page 147 of the Prospectus in relation to 'Table 15 – Remaining interest rate fixed period'.

Whilst the information in Table 15 itself is correct, the last row of Table 15 (titled: Total) sets out the incorrect aggregate amounts in the second and fourth column, and the incorrect averages in the sixth, seventh and eighth column of Table 15. The correct Table 15 should read as follows:

TABLE 15 Remaining interest rate fixed period

The following table shows the distribution of the pool as selected on the Initial Cut-Off Date (both by net outstanding principal balance and number of Loan Parts) by remaining interest rate fixed period.
